**Summary of reasons
for classification:**

The DVD *Garden State* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years.

The DVD contains a feature previously examined and classified on film by the Classification Office. The film *Garden State* (OFLC No. 401472) was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years" with the descriptive note "Offensive language, drug use and sexual themes". This decision was registered on 17 September 2004.

The DVD has additional components to the film version, including notices, deleted scenes, a "making of" segment, and bloopers. This additional material does not provide grounds to alter the classification given to the original publication.
